Peter H. Reynolds' *The North Star*

**“Ask yourself – where are you going... where do you WANT to be going?”**

**How can you help ALL learners navigate their true potential?**

For over a decade, **Peter H. Reynolds'** cornerstone story, *The North Star*, has inspired students to become self-directed learners and envision a future full of possibility. This classic storybook is now a gorgeous 15-minute animated film with narration by **Tim Curry** and original score by **Tony Lechner**. A co-production of FableVision Studios and Weston Woods Studios, *The North Star* film is a must-have for all classrooms!

**“Everyone will fall in love with *The North Star*, as I have. If only every individual could find and follow his or her own star and be encouraged to do so. How different the world would be.”**  
**— Dr. Jane Goodall,**  
**Scientific Director,**  
**The Jane Goodall Institute**

**DVD Features:**

- Bonus interview with Peter, who shares his creative process and philosophy.
- Study guide with engaging activities related to the film's themes.
- Read-along feature that highlights each word on the screen as it is simultaneously narrated.
- Optional English subtitles and closed-captioning.
