EARTH DAY ROCKS!

Read: *Rose's Garden* by Peter H. Reynolds, which is about the beauty of nature and the power of imagination. This book also shows how nature can make our world a much better, colorful place.

THE CHALLENGE

Paint a rock with a special Earth Day message. This message could be one of kindness or encouragement to preserve nature.

Share your designs with your classmates and, once you are done, place the rocks outside in nature for all to enjoy.
